

The Annual Belhaven Best Dunbar Traditional Music Festival.

Founded in 1988

Mission Statement

To provide good quality varied entertainment and “Keep Music Live”

Our Constitution

The Dunbar Traditional Music Festival is a non-profit organisation. Our goal is to provide free, varied, quality entertainment for the enjoyment of locals and visitors alike. We aim to produce a fun filled weekend of music and dance, that will attract people to Dunbar. Our workshop offers tuition and guidance to Adults and children, who would like to learn about, and play Scottish traditional music, through our workshop.

We will involve the local community, Traders and schools, and provide a foundation for promoting Traditional music and its differing genres. We aim to get better, not bigger.

All our venues are free, and warmly welcome all strolling musicians.
